## Our Mission:

Our mission is to be pro-active in supporting our veterans and active servicemen during and after their discharge of service to our country.

We provide support to the spouses and children of our discharged, and active duty military constituents,

## Galilee Veterans Support Goals:

Our goal is to empower our veterans, active duty service personnel and their families with the best tools possible to move them forward toward a positive future. To do this, we offer workshops and events that address post-traumatic stress; military and social service information, assistance with applying for Veterans benefits; newly released military information, laws, grants and upcoming events. We address housing, employment and family dynamics discussions. Special events and recognition activities are provided.

The Galilee Veterans Support facilitators are committed to assisting group members in identifying their individual needs. Monthly meetings allow for small and large group interactions and discussions. Participants are partnered with other programs for additional mentoring and counseling and activities.

## Available Programs:

Small Group Meetings

There is a Story To Be Told" Listening Sessions
